INVITED TO JUDGE:

SPONSORSHIP FORM

The open show has been a great source of learning as well as funding for our 4H club. There is a huge amount of work and planning that goes into a Horse Show, as well many expenses: ribbons, judge, jumps, refreshments, this is why we are asking for the support from family, friends and the community.

We would like to thank each and every person for your continued support of the 4H Horse Program and all the volunteers that make it happen.

Sincerely,
Roberta Jackson & Carla Picayo
Co-Leaders
